

COCO FARM & WINERY

2013 Koshu Fermented On Skins

Koshu F.O.S. is a **powerful, idiosyncratic wine** made from Japan's own **Koshu** grape variety. Fermented on skins like a red wine (hence "FOS"), this white wine isn't really white at all. It displays a deep copper robe, an opening 'comment' to be followed by powerful, spicy aromas of cinnamon, fig, and walnut. In the mouth this wine is robust, with plenty of fruit and spice, and a dry, tannic finish. As an accompaniment to food this wine is most at home with similarly robust dishes, from chicken stew to tripe; it is also exceptional with strongly-flavored cheeses.
