

2019 Concerto in R

Our vineyard of Cocoromi Gakuen was cultivated by intellectual disability students and their teacher in the 1950s. At present, there are five Cocoromi Gakuen vineyards including the central one with a steep slope, another new one at Akami in Sano city, our terrace vineyard, Frisee vineyard in Tajimacho Ashikaga city, and Tajimagawa-Ugan, the area consists of 6 hectares of vineyard. “Concerto in R” is a red wine, fermented with the grapes of these vineyards. We ferment with wild yeast from the grape skins and blend them with greatest care to maintain its good balance. In the current severe climate variability “Concerto in R “ is a wine made with grapes grown at Cocoromi Gakuen vineyards and fermented with a simple and pure heart. The naming of this wine “R” is the abbreviation of “Red”, “Rouge” and “Rosso”. We hope you enjoy this wine like a concerto played with a beautiful harmony.
