

2020 Dai-Ni Gakusyo

In Cocoromi Gakuen vineyard, we have been growing Muscat Bailey A, a hybrid grape variety crossed by the famous grape grower Mr. Kawakami Zenbei, since the beginning of our vineyard in 1958. Now, based on our 60 years experience as a grape grower, we grow Muscat Bailey A in our three vineyards. One is the hilltop vineyard “Kaitakuen” in Cocoromi Gakuen, our second vineyard is “Akami vineyard” in Sano city which was cultivated in 1982, and the third vineyard is “Terrace vineyard” which was cultivated in 2012 after Great East Japan Earthquake. In “ Dai-Ni Gakusho”, you will find the full natural charm of our wine. When you taste this wine, it will remind you of the many master pieces in the second movement of great symphonies.
